C) Vote Casting and Counting

The Chairman of the meeting will inform the meeting as to the methods of vote casting and counting prior to discussion of meeting agenda.

1. Vote Casting

- Each of the shareholders shall have one vote per share.
- The Chairman will ask the meeting as to whether there are any shareholders who wish to object (not-approve) or abstain their voting and ask such shareholders to raise their hands.

- If there are any not approve or abstinent votes by the raising hand shareholders, such shareholders must record their not approve or abstinent votes in the ballots previously given to the shareholders prior to attending the meeting room. The Chairman will then ask the Company's officer(s) to collect and count the votes in the ballots. Any non raising hand shareholders shall be deemed as casting their approval votes as proposed by the Chairman.
 - If there is no shareholder raising hand for objection or abstinent, it shall be deemed that the meeting unanimously resolves to approve such agenda, unless there are checked marks of not approve or abstinent votes specified in the proxy form given to the Company where the Company has recorded and counted such not approve or abstinent votes for the relevant agenda.
- In the event where a shareholder has appointed a proxy to attend and vote on its behalf pursuant to its intention already been specified in the proxy form, the Company will count and record such votes at the time of registration for attending the meeting in order to facilitate the proxy such that the proxy will not have to cast the votes in the ballot again in the meeting and such votes will then be added up with the votes aforementioned.

2. Vote Counting

- In counting the number of votes of each agenda of the meeting, the Company will count the votes of the shareholders which cast in the meeting and those specified in the proxy form previously given to the Company by the proxy prior to attending the meeting room while the number of not-approve and abstinent votes will be subtracted from the total number of votes of the shareholders attending the meeting and entitled to vote.
- After the end of casting the votes in each agenda, the Chairman will announce the result of vote counting by informing the meeting the number and percentage of approval votes, disapproval (not-approve) votes and abstinent votes, separately.

With respect to the vote casting for election and appointment of each director, each Shareholder and proxy must record his/her/its vote casting (regardless of whether such votes are approval, disapproval (not-approve) or abstinent votes) in the ballots previously given to the shareholders prior to attending the meeting room for his/her/its election and appointment of each director. The Chairman will then ask the Company's officer(s) to collect and count the votes in the ballots via barcode system and announce in the meeting room the number and percentage of approval, disapproval (not-approve) and abstinent votes, separately in respect of each of such director.
